POPE SPEAKS:

The reality that we are experiencing throughout the world due to the pandemic makes this message, this essential mission of the Church, particularly relevant. The voice of Job, which echoes in today's liturgy, is once again the interpreter our human condition, so lofty in dignity – our human condition, the loftiest in dignity – and at the same time so fragile. In the face of this reality, the question “why?” always arises in the heart. POPE FRANCIS.
