THANK YOU FOR YOUR SUPPORT! We are delighted to announce that we have now secured £70,088 in pledges for the **Enabling Our Mission** Campaign against a target of £80,000, as the initiative comes to an end in the parish. My heartfelt thanks to every one of you. I know there are some families out there who are still considering their pledge, and I would be delighted to have your support. The more funds that we raise, the more money we will receive and so we have much to benefit from. Thank you for your support and please pray for the continued success of the **Enabling Our Mission** Campaign in our parish.

FAITH, HEALING & GRATITUDE: Jesus here, as in other circumstances, says the words: "Your faith has made you whole". It is faith that saves human beings, re-establishing them in their profound relationship with God, themselves and others; and faith is expressed in gratitude. Those who, like the healed Samaritan, know how to say "thank you", show that they do not consider everything as their due but as a gift that comes ultimately from God, even when it arrives through men and women or through nature. Faith thus entails the

opening of the person to the Lord's grace; it means recognizing that everything is a gift, everything is grace. What a treasure is hidden in two small words: "thank you"! - **POPE BENEDICT VI**
