HUMBLE GENEROSITY: I do this favour for you expecting you to do one for me. No, this is not Christian. Humble generosity is Christian. Indeed, human repayment usually distorts relationships, making them "commercial" by bringing personal interest into a relationship that should be generous and free. Instead, Jesus encourages selfless generosity, to pave

our way toward a much greater joy, the joy of partaking in the very love of God who awaits us, all of us, at the heavenly banquet – **Pope Francis**.
