THANK YOU FOR YOUR SUPPORT! We are delighted to announce that we have now secured £70,088 in pledges for the **Enabling Our Mission** Campaign against a target of £80,000, as the initiative comes to an end in the parish. My heartfelt thanks to every one of you. I know there are some families out there who are still considering their pledge, and I would be delighted to have your support. The more funds that we raise, the more money we will receive and so we have much to benefit from. Thank you for your support and please pray for the continued success of the **Enabling Our Mission** Campaign in our parish.

HAVING FAITH: How can we understand if we truly have faith, that is, if our faith, while miniscule, is genuine, pure, sincere? Jesus explains this by indicating what the measure of faith is: service. And he does so with a parable which at first glance is somewhat disconcerting, because it presents the figure of an overbearing and indifferent master. But this master's very way of doing things highlights what is the true core of the parable, which

is the servant's attitude of willingness. Jesus wishes to say that this is how people of faith are with regard to God: they completely give themselves over to his will, without calculations or pretexts. **Pope Francis.**
